SINGULAR VISION
JUNE 5 – JULY 19, 2013

Robert Cottingham, *Oasis*, 2013, oil on canvas, 48 x 48 inches

Through July 19, Forum Gallery presents emblematic, current work by 21 contemporary artists. **Steven Assael, Susan Hauptman and Bernardo Siciliano** exhibit complex figurative works on a large scale; **Robert Bauer, Alan Magee and Ellen Eagle** show intimate, highly personal, portraits; and **Alan Feltus, Odd Nerdrum and Paul Fenniak** are represented by intense, narrative paintings.

Davis Cone, Robert Cottingham, Linden Frederick, Brian Rutenberg, Maria Tomasula and Jesus Villareal show outstanding, recent works.

The exhibition includes a dramatic charcoal drawing of seven bulls by **William Beckman**, a collage of Che Guevara by **David Mach**, and **Cybèle Young**'s latest imaginative paper construction.

Forum Gallery is located at 730 Fifth Avenue at 57th Street, New York. The entire exhibition may be viewed online at www.forumgallery.com/exhibition/singular-vision/.
