AUGUST 28, 2017

CHRISTOPHER JOBSON

Artist [Clio Newton](#) has been hard at work on a series of larger-than-life portraits of women portrayed entirely with compressed charcoal. The towering drawings can reach nearly 8 feet tall and capture near photographic detail of her subject's faces, hair, and bodies. Several of the new portraits will be on view in an upcoming show at [Benjamin Eck Galerie](#) in Munich titled '[Realism](#)' that opens September 14, 2017. You can read an interview with Newton on [Quiet Lunch](#) and see more of her recent work and studio photos on [Instagram](#). (via [Supersonic Electronic](#), [Gaks Designs](#))
