## New York Academy of Art Summer Exhibition

June 20 - July 19, 2024

**New York, NY – Forum Gallery** is pleased to host this year’s presentation of the **New York Academy of Art Summer Exhibition**. A much anticipated annual summer tradition, the exhibition will be on view from June 20th to July 19th, 2024 and will feature sixty works, selected from over five hundred submissions, including paintings, drawings, prints, and sculptures by New York Academy of Art alumni, students, and faculty.

Founded in 1982 by artists, scholars, and patrons of the arts, including Andy Warhol, the New York Academy of Art is a not-for-profit educational and cultural institution which combines intensive technical training in drawing, painting, and sculpture with active critical discourse. Academy students are taught traditional methods and techniques and encouraged to use these skills to make vital contemporary art. Through major exhibitions, a lively speaker series, and an ambitious educational program, the Academy serves as a creative and intellectual center for all artists dedicated to highly skilled, conceptually aware figurative and representational art.

We would like to extend our congratulations to the artists selected by the 2024 Summer Exhibition jurors **Christiana Ine-Kimba Boyle** from Pace Gallery, Artist **Eric Fischl, Robert Fishko** from Forum Gallery, and **Alissa Friedman** from Stephen Friedman Gallery:
